

Employers were introduced to PLANet in the fall of 2019 – now it's the member's turn to enjoy all the benefits PLANet has to offer! We are excited to introduce PLANet, the new online pension administration system for MEPP members.

The online member portal of PLANet is designed to provide members with secure access to up-to-date information regarding their pension information.

Creating an easy experience for members is our first priority. We've made accessing pension information simpler by adding seamless functionality and quick menus so members can perform everyday tasks with a few simple clicks.

PLANet will be available to active MEPP members; pensioners will gain access to PLANet in the future.

Information on how to access PLANet will be sent to active members soon.

PLANet for members is coming in summer 2020

Member benefits include:

- Update mailing address
- Review personal information
- Verify and change designation of beneficiary(ies)
- Access MORE – MEPP's retirement calculator
- Change security settings (password and security question)

The Employer Bulletin is published as a service for the employers of MEPP. For further information or clarification, contact MEPP's Customer Focus Coordinator:
