

It's that time of year again!

Soon you will be welcoming back your seasonal workers. This is your reminder to update the status of your seasonal workers in the online portal.

Did you process a layoff for a seasonal worker in 2024?

Process a Return to Work file for the same worker when they return.

Did you change the employee type from seasonal to casual? **Process a Data Change file** to change the type back to seasonal when they return to their full-time seasonal position.

Submitting Payments

It's easy to remit your contributions online! You have two options - Electronic Fund Transfer (EFT) or Online Bill Payment (OBT). Remitting online saves you time and money by avoiding late fees charged to you.

Click through the links below to learn more about each.

Contribution remittance through PLANet is due within 15 days from the **end of the pay period**.

Any delays to this could then result in administrative fees and interest charges.

Thank You

Thank you for taking the time to participate in our Employer Satisfaction Survey in December. We are committed to utilizing your feedback to enhance the service you receive.

The yearly survey isn't your only opportunity to share your thoughts. If you have questions or comments, please connect with us throughout the year.

Member statements are in the mail!

Member statements, for actively working employees, were mailed, and uploaded to their online account, on March 20, 2025.

If an employee did not receive their statement, please have them reach out to MEPP Member Services at mepp.plannera.ca or 1-877-506-6377.
