

A Fond Farewell!

After many years of dedicated service, we extend our warmest wishes to a valued colleague as she begins her well-deserved retirement.

Penny's last day with Plannera will be June 26. As much as she would have liked to, she was unable to personally connect with everyone she has helped over the years. To ensure her thanks reached everyone, Penny has some farewell words she'd like to share.

"Thank you to everyone for the many interactions, conversations, and opportunities to help over the years. Every day brought something different, and I appreciate having been part of your journey. I hope I fulfilled my goal of providing helpful and reliable service. Thank you for your support, kindness, and collaboration along the way. Best wishes to you all."

Thank you Penny for your years of service. May retirement bring relaxation, fulfillment, and many new adventures.

We look forward to introducing our new Employer Relations Coordinator in the next bulletin.
