MEPC meeting notes

The Municipal Employees' Pension Commission (the Commission) met on April 17, 2026

Meeting with its general investment consultant, the Commission received information on the Municipal Employees' Pension Plan's (MEPP, the Plan) Canadian equity assets and the Emerging Markets equity assets.

The Commission's private market consultant also attended to present an education session on private market investments.

Meeting with Plannera Pensions and Benefits, the Plan administrator, the Commission received an update on work underway to enhance the member experience and support ongoing improvements to member education, communications, and engagement.

From the Plan administrator, the Commission received the Cyber Security Dashboard for the quarter ended March 31, 2026, and reviewed an updated Work Plan related to the past year's Strategic Plan.

In addition to the regular meeting, the Commission held its annual Strategic Planning session on May 15, 2026.

At this session, the Commission received presentations on and discussed:

- The use of Blocker Corporations as part of standard investment structures used in certain private market investments.
- Information on the use of committees to expand investment oversight and support informed decision-making by the Board.
- Environmental Scans, including research into recent trends in areas such as the digital landscape, workforce dynamics, and global economics and politics, to help the Commission plan appropriately.
- The Strategic Plan 2025-2026 achievements and the 2026-2028 priorities.

The Commission's next meeting is scheduled for June 18, 2026.
